Commissioner for Patents

See Attached Detailed Action

DETAILED ACTION

The reply filed on September 2, 2004 is not fully responsive to the prior Office

Action because of the following omission(s) or matter(s): the amendment does not comply with 37 CFR 1.121, since the drawings which include amendments must be labeled as a "Replacement Sheet". It is also noted that prior art rejections in the last Office action have not been addressed. In particular, the claim 10, 35 USC 102 rejection with the Weinerman et al reference has not been addressed. Further, all prior art rejections must be addressed in applicant's response. On page 10, lines 5-6 of applicant's response, amended independent claim 10 is referred to, while claim 10 has not been amended. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Lloyd A. Gall whose telephone number is 703-308-0828. The examiner can normally be reached on Monday-Friday, 8:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Bagnell can be reached on 703-308-2151. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Art Unit: 3676

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
